An initiative to promote heritage, culture and gastronomy on the Route des Grands Crus

The Route des Grands Crus de Bourgogne, linking Beaune to Dijon or Dijon to Beaune, is an itinerary of discovery for all those interested in Burgundy's patrimony, wine and gastronomy.

The *Chemins Épicuriens* are part of this itinerary, with beautiful escapes to emblematic sites of Burgundy's heritage, be they ancient or contemporary, traditional or innovative.

Divided into four stages, the *Chemins Épicuriens* offer a multi-faceted itinerary, inviting visitors to extend their stay and enjoy the region's tourist attractions, events and leisure activities.

Coupled offer valid for 1 year

Offered at the reception desks of all four sites, the “Coupled Offer” is available in both French and English versions, in the form of a road book.

From the first ticket purchase, visitors benefit from a reduced rate to discover the three other partner sites. The road book is then presented at the ticket office, where it is completed and stamped.

The offer is valid for 12 months from the first ticket purchase.

A partnership to develop synergies and enhance cross-site appeal

Born of a desire to broaden the range of visitors, the initiative aims to strengthen tourist synergies between the four sites on the Route des Grands Crus.

Through this shared initiative, which combines promotional and enhancement efforts, the partner sites aim to offer individual visitors a unique epicurean experience that is both attractive and accessible.

The *Chemins Épicuriens*, by capitalizing on the singularity and complementarity of the sites, renew the prospects for cooperation, and lead tourists to new detours: the aim is to reinvent Bourgogne as a destination of choice, together with all the players in the region.
